DETAILED ACTION

Terminal Disclaimer

1. The terminal disclaimer filed on October 22, 2007 disclaiming the terminal portion of any patent granted on this application which would extend beyond the expiration date of US Patent Nos. 6,975,331 B2 and 7,233,695 B2 has been reviewed and is accepted. The terminal disclaimer has been recorded.

Allowable Subject Matter

2. Claims 1-16 are allowed.

The following is an examiner's statement of reasons for allowance:

A. Claims 1-8 are allowable over the prior art of record because the Examiner found neither prior art cited in its entirety, nor based on the prior art, found any motivation to combine any of the said prior art which teaches a method for computer the function value of an input node based on function values of known nodes within a multiple raster content comprising the steps of computer the difference d between the input node and the first node; shifting d to the right by k positions, computing the function value of the input node, generating a first lookup table, computing inter-node exponents as needed and loading the first lookup table into the database.

B. Claims 9-16 are allowable over the prior art of record because the Examiner found neither prior art cited in its entirety, nor based on the prior art, found any motivation to combine any of the said prior art which teaches a system for computing the function value of an input node based on function values of known nodes comprising a compute module comprising a

combine module computing the difference d between the input node and the first node, inter-node exponents, and the difference DV between the second node function value and the first node function value; a multiply module multiplying a shifted d with the difference DV and outputting a product value, wherein the combine module combines the first node function value with the product value to form the function value of the input node.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
